

## Dedicated Grass Roots

At MGO, we feel that the best form of activism is accomplished at the grass roots level. The first three words in our Country's Constitution are "*We the people.*" In that spirit, MGO was formed by a group of volunteers to work toward the common goal of protecting and restoring the firearm rights of law-abiding citizens in Michigan. We firmly believe in the power of a grass roots movement.

*Join our common voice and together, we will work to secure the rights of sportsmen, target shooters, self-defense advocates, collectors and firearm owners across the State of Michigan.*

## Safety Education

Volunteer members offer gun safety instruction and seminars throughout the state. From public schoolrooms to Scout meetings, from church camps to social groups, from novice to expert, MGO shares safety education and knowledge at no cost to the group.

## Aren't there other Groups?

## How do we reach the average voter?

*By having a presence.*

Offering free safety classes, gathering petition signatures and holding educational shooting events are just a few of the many ways our members work to reach Michigan voters. Our member's skills are diverse and everyone contributes in their own way.

*Yes.* There are some fine gun rights groups at both the state and national level. MGO is dedicated to a grass roots activism. We have a partnership with those that support our goal to get more Michigan Gun Owners involved in the fight for our rights. While other approaches have their merits, we feel that the real power to effect positive change is with the voice of the average voter. When we win the average voter's support, it is a win for all gun owners.

## Do I have to be that involved to become a member?

*No. The choice is yours!* We understand that with our busy lives it is not always possible to dedicate time. Whatever time you are willing to give will be appreciated and helpful. Your contribution could be as simple as writing a letter to the editor or informing a co-worker of the latest laws. Joining now helps us with our efforts. When your time is available, you are welcome to help in whatever capacity you feel comfortable.
